Subject: I oppose the Bank of Wal Mart

I oppose the bank for a few reasons:

1. One corporation should not have too much power.
2. Wal Mart finds ways to get around laws. They should not have the ability to do this with something so important as people's money.
3. Wal Mart would be against helping businesses (with loans) since those businesses might take away business from Wal Mart.
4. Like they have done with numerous other businesses, Wal Mart will drive out the few local banks that are left in this country.

Please do not let Wal Mart have this kind of power.

Thank you,

Jessica Bennett
